- Forum Upgraded
- BF 1942 Mod

Forum Upgraded:

We upgraded our forum with the latest code from Simple Machines. This version added a lot of great new features and improvements so be sure to stop by.

Battlefield 1942 Mod:

Necron and The_Black_Night let us know about a Battlefield 1942 mod based on the Dune games that they were working on. They have released a number of unit renderings and in-game screenshots and are progressing very well so far.
